TEMPORARY HOLDING TANK APPLICATION

GENERAL PERMIT No. **GNEVTHT09**

Note: Temporary/Portable Holding Tanks may only be approved for the following: limited duration events for construction projects (night watchman's trailer, contractors shack); or a holding tank under the control of a city or other legal entity approved for temporary use. Cannot be used to service a dwelling or RV. Permit is valid for a period not to exceed 180 days.

Applicant: (Agency/Person responsible for the Temporary/Portable Holding Tank)

Name: _____ Phone: _____

Address: _____

City: _____ State: _____ Zip: _____

Site Location(s): If more than one, please attach a legal description of each site.

Project Name _____

Project Address: _____

City: _____ County: _____ State: _____ Zip: _____

Latitude: _____ / _____ / _____ Longitude: _____ / _____ / _____
 Deg. Min. Sec. Deg. Min. Sec.

Township _____ Range _____ Section _____

Note: Please include a site location map (i.e. USDS quadrangle), and a site layout map.

Description of discharge: Include reason for requesting a temporary/portable holding tank. Also describe any water management practices, estimated daily flow and how the tank will be maintained to prevent health hazards or nuisances (pumping schedule, odor control, spill containment, etc). Attach more sheets if necessary.
